

As part of GB PRE's commitment to horse welfare we are proud to be in support of The Horse Trust's Healthiest Body Condition Awards.

The University of Liverpool, with The Horse Trust, created and piloted the WeighToWin programme to spread the word on equine obesity and to recognise and reward those that keep their horses and ponies at a healthy weight.

GB PRE 2024

The Horse Trust's Healthiest Body Condition Awards

Rewarding Healthy Body Condition in Showing

The Healthiest Body Condition Awards will be presented in selected classes at this show. The awards were instigated to encourage owners, riders, and producers to recognise the health and welfare benefits of maintaining a healthy equine body condition, and to recognise and reward those who have achieved this in their show class.

These awards are judged concurrently, but independently of the class, by a vet or suitably qualified person.

We are happy to be recognised as a weight aware show and to support #TheWeighToWin.

A HUGE VOTE OF GRATITUDE GOES OUT TO OUR 2 SUPPORTING VETERINARY PRACTICES THAT WILL BE JUDGING THE GB PRE SHOWING CLASSES
