The Horse Trust's Healthiest Body Condition Awards Rewarding Healthy Body Condition in Showing

The Healthiest Body Condition Awards will be presented in selected classes at this show (Please see class description). The awards were instigated to encourage owners, riders, and producers to recognise the health and welfare benefits of maintaining a healthy equine body condition, and to recognise and reward those who have achieved this in their show class. These awards are judged concurrently, but independently of the class, by a vet or suitably qualified person.

We are happy to be recognised as a weight aware show and to support #TheWeighToWin.

PARADE CLASSES		<i>Judges: Philip Belhoussine + TBA</i>		
18	NOVICE PARADE Rosettes for BEST SPANISH, BEST PORTUGUESE & BEST PRMe This class will feature before the Open Parade class to give riders with inexperienced horses time to ride their horse in the main International Arena with less horses in the ring around them, and at a steadier pace than the main Grand Parade. Horses in this category may then choose to remain in the ring for the Grand Parade class or have the option to leave if they wish to end the experience positively/feel their horse may be reactive with a larger competitor number. Traditional tack and dress preferred open to Mares/Stallions/Geldings/ any breed.	Sat	Int	YES
19	OPEN PARADE Rosettes for BEST SPANISH, BEST PORTUGUESE & BEST PRMe A Feria-feel class in which riders' parade around the main International Arena, in traditional tack and dress and displaying to the judges any individual skills they may have, such as pirouettes, piaffe, flying changes, rein back or general obedience and rideability. Horses do not do an individual performance and may go on either rein at any time. We ask competitors to be courteous of others in the ring and any dangerous riding exhibited by competitors in the opinion of the organisers and/or judges will be asked to leave. Please note, this class is full of fun and authentic Spanish feel, but it is busy and will not be suited to inexperienced horses, reactive stallions, or space reactive horses. Masters Du Cheval Ibérique (MCI) Judges: Pam Bushell, Sue Petty & Simon Laurens

The **Masters du Cheval Ibérique (MCI)** is the only European dressage league and championship specifically for Iberian horses.

This year, the European Championships will be held from the 4th – 11th October 2026 at Sentower Park in Belgium. A team to represent Great Britain will be selected based on qualifying scores within the league, together with the number of competitor places allocated in each class/level.

MCI GB is the official British association for MCI and operates independently of GB PRE. It runs qualifiers at multiple independent venues across the UK each year. The league welcomes both purebred and part-bred PREs (Pura Raza Española) and PSLs (Puro Sangu Lusitano) to compete.

The National Championship Event is held annually at Addington. Please note that only purebred horses are eligible to qualify for the European Championships.

The MCI classes offer a variety of tests:

- Young Horse Classes (Primera and Novilla) are open to horses aged 4–6 years only.
- Paso Doble (equivalent to Preliminary level), together with its freestyle partner test Salsa, is open to horses aged 7 years and over.
- Novato (equivalent to Novice level), together with its freestyle partner test Tango, is open to horses aged 7 years and over.
- All other levels are open to all horse and rider combinations.

Standard British Dressage attire should be worn. Traditional Iberian dress may be worn at the National Championships and European Championships.

Whips and callers are permitted at all MCI GB qualifiers in UK competitions; however, callers are not permitted at the National Championships.
