Held at the exceptional facilities at **Hartpury, Gloucestershire**, our four-day event brings together a dynamic mix of competition, education and entertainment.

Across the weekend you'll find:

- **ANCCE Morphology classes**

- **Working Equitation**
- **Dressage to Music**
- **Showing classes & championships**

- Traditional disciplines including **Doma Vaquera** and **Alta Escuela**

Whether you're competing, learning, or simply watching — there is something for everyone.

### Not Just Showing...

If traditional showing isn't your thing, there are plenty of other ways to get involved.

#### Dressage

- Affiliated **British Dressage** classes (Prelim to Grand Prix)
- Entry available via **BD class tickets**
- Dressage to Music** — relaxed, fun and a real crowd favourite
- MCI (Iberian Dressage)** classes

#### Working Equitation [www.abweofficial.co.uk](http://www.abweofficial.co.uk)

Consists of three phases: **Dressage, Ease of Handling, and Speed** (with **cattle penning** included at international level).

The **Dressage phase** is similar to a traditional test, although some movements differ, and at higher levels may include advanced movements performed one-handed.

The **Ease of Handling phase** features a course of obstacles such as gates, bridges and slalom elements, designed to reflect practical riding situations. Combinations are judged on accuracy, fluency and harmony.

The **Speed phase** uses a similar course, with competitors completing it against the clock, where penalties and bonuses may apply.

#### Other Activities

- Parade classes
- Clinics & demos

There truly is something for every horse and rider combination.

#### Iberian Dressage (MCI)

The GB PRE Show proudly hosts **Masters du Cheval Ibérique (MCI)** classes.

This international league:

- Is exclusively for Iberian horses
- Acts as a qualifier for the **European Championships**
