WILLIAMS & BROWN

At Williams & Brown, we believe what we wear shapes how we feel, how we move, how we connect with our horses, and how we honour the art of classical dressage. Our clothing is designed with intention, blending elegance with ease, to reflect the grace, harmony, and respect at the heart of true horsemanship.

Inspired by the quiet beauty of classical riding, our collections are made to carry you effortlessly from stable to everyday life. Not just for the saddle, but for the way you arrive—in presence, in poise, and in purpose.

This is clothing that respects the tradition, elevates the experience, and celebrates the deep bond between horse and rider.

TRADITIONAL
BASQUE COD AND
CHOROZO CASSEROLE
- BACALAO A LA
VIZCAÍNA

INGREDIENTS & DIRECTIONS

500g Bacalao (salt cod)
150g Fresh Cooking Chorizo Picante
2 Onions, finely chopped
4 Garlic cloves, finely chopped
1 tin Piquillo Peppers
1 Chopped tomatoes, 3 plum or 1 tin
1 jar pitted green Manzanilla Olives

1 tablespoon El Angel Sweet Paprika
100ml White Wine - Caballo Oscuro Viura Chardonnay
100ml Fish stock or water
3 tbsls Good quality olive oil - Almoaliva Arbequino
Salt and pepper to taste
Chopped Parsley for garnish

For many years cod has been a staple fish throughout Europe . But it was in the Basque Country , a place with a strong fishing tradition, where cod a la vizcaína as we know it today began to be prepared. The recipe for Bacalao a la Vizcaína is said to date back to the 18th century , when Basque fishermen began catching large quantities of cod in the cold waters of the North Atlantic. This recipe combines Bacalao (salt cod) and chorizo in a dish that is a delicious combination of saltiness and spice. Great for a family occasion, a quiet supper or just for the fun of it. We've tried it and it is simple to make and tastes just fabulous. Don't forget to pair it with a good white or rose wine.

- 1.Prepare the Salt Cod: Ensure the salt cod is properly desalted by soaking in water for 12-24 hours, changing the water several times. Cut it into manageable pieces.
- 2.Cook the Chorizo: Heat olive oil in a large pan over medium heat. Add the chorizo slices and cook until they release their fat and become slightly crispy. Remove and set aside.
- 3.Sauté Vegetables: In the same pan, add the onions, garlic, and piquillo peppers. Cook until they are soft and the onions are translucent.
- 4.Add Tomatoes and Pimentón: Stir in the chopped tomatoes, olives and paprika. Cook for a few minutes until the tomatoes start to break down.
- 5.Combine Ingredients: Add the white wine and fish stock to the pan. Bring to a boil, then reduce to a simmer. Return the chorizo to the pan.
- 6.Add Salt Cod: Place the desalted cod pieces into the pan, making sure they are submerged in the sauce. Add the green olives.
- 7.Simmer: Cover and simmer gently for about 15-20 minutes, or until the cod is cooked through and flakes easily.
- 8.Serve: Garnish with fresh parsley and serve with crusty bread or roasted potatoes.
